Sir:

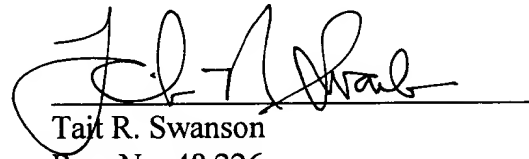

**COMMENTS ON EXAMINER'S
STATEMENT OF REASONS FOR ALLOWANCE**

In the Office Action mailed on December 2, 2004, the Examiner provided a Statement of Reasons for Allowance. Although the Applicants appreciate the recent Notice of Allowance and accompanying Notice of Allowability mailed on April 27, 2005, the Applicants do not necessarily agree with the Examiner's Statement of Reasons for Allowance. The Examiner's Statement of Reasons for Allowance generalizes the independent claims, rather than addressing each of the independent claims separately. Specifically, the Examiner's Statement of Reasons for Allowance recites features that are not included in at least some of the independent claims. For these reasons, Applicants

respectfully stress that each of the independent claims is patentable based on certain features explicitly recited in each respective claim, but not necessarily as set forth in the Examiner's Reasons for Allowance.

Respectfully submitted,

Date: July 14, 2005
